Flight Service

Alexander's is just a short flight by float plane from Nestor Falls or Fort Frances, Ontario. Flights to our camp are serviced by **Northwest Flying Inc.** in Nestor Falls which is only 25 air miles from our dock. We have two flights a day 8:30am or 4:00pm in the afternoon (weather permitting). We ask that you arrive at the air base half an hour before your flight to check in.

YOUR TOTAL ALLOWABLE CARGO IS LIMITED TO EIGHTY POUNDS PER PERSON, WITH A 220# BODY WEIGHT. OVERWEIGHT CHARGES MAY HAVE TO BE APPLIED

Many of our guests arrive a day early and need a place to stay for the night. We suggest Arrowhead Resort (807) 484-2132 or Nestor Falls Motel (807) 484-2131 which both are located near the airbase.

Or Fort Frances is twice the air miles. Flights to Alexander's can be arranged directly through Rusty Myers Flying Service Ltd. (807) 271-5335

WHAT TO BRING

- Layers of clothing to cover all types of weather * Rain gear and rubber boots
- Personal items and medicine * sunscreen * lip gloss * insect repellent * flashlight
- Rods, reels, tackle, etc.

TIPS FOR PACKING LIGHT

Pack duffel bags rather than heavy suitcase. Coordinate within your group items that can be shared. If you require special medication, make sure to carry enough for your trip. We request all beer travelling on the plane be cans **NOT** bottles. Coolers: if you could pack a couple of smaller coolers then one large one would be recommended as they may not fit into the smaller planes. Remember to pack carefully. It must fit on the float plane with you!

If you have questions or concern, please call us at 855 653-5946 or email us at info@alexandersonrowan.com

Covid 19 Travel requirements to enter Canada

Check if you qualify as a fully vaccinated traveller

To qualify as a fully vaccinated traveller to Canada, you must:

- have received at least 2 doses of a Government of Canada-accepted COVID-19 vaccine or a mix of 2 accepted vaccines
 - or at least 1 dose of the Janssen/Johnson & Johnson vaccine
- have received your second dose at least 14 full days prior to the day you enter Canada
 - Example: if your second dose was anytime on **Thursday July 1**, then **Friday July 16** would be the first day that you meet the 14 day condition
- upload your proof of vaccination in ArriveCAN
- have no signs or symptoms of COVID-19
- meet pre-entry testing and all other requirements
 - [upload your proof of vaccination in ArriveCAN](#)
 - have ArriveCAN receipt with letter V or I beside your name
- [meet all other entry requirements](#) (for example, pre-entry test result)

Accepted vaccines

- Pfizer-BioNTech (Comirnaty, tozinameran, BNT162b2)
- Moderna (Spikevax, mRNA-1273)
- AstraZeneca (Vaxzevria, COVISHIELD, ChAdOx1-S, AZD1222)
- Janssen/Johnson & Johnson (Ad26.COV2.S)

As of November 30, 2021, the following COVID-19 vaccines authorized by the World Health Organization (WHO) will be accepted by the Government of Canada for travel:

- Bharat Biotech (Covaxin, BBV152 A, B, C)
- Sinopharm BIBP (BBIBP-CorV)
- Sinovac (CoronaVac, PiCoVacc)

To qualify as a fully vaccinated traveller, you must have received at least 2 doses of an accepted vaccine or a mix of 2 accepted vaccines, or at least 1 dose of the Janssen/Johnson & Johnson vaccine, at least 14 full days prior to the day you travel.

If your proof of vaccination is not in English or French

If your proof of vaccination is not in English or French, you need a **certified translation** in English or French.

Your certified translation must include the stamp or membership number of a professional translation association.

Translation of documents

Keep both the original proof of vaccination and the certified translation with you while you travel.

If your proof of vaccination doesn't meet all of the requirements, it will be considered invalid. You will not qualify as a fully vaccinated traveller.

What is not accepted as a fully vaccinated traveller

Vaccines not currently accepted Partial vaccination Recovered from COVID-19 with only one dose

If you do not qualify for the fully vaccinated traveller exemption, you may still be able to enter Canada.

Pre-entry testing and other requirements to follow for your trip

To qualify as a fully vaccinated traveller, you must also follow these requirements:

1. Get a pre-entry test (accepted types and timing) 2. Quarantine plan in case you don't qualify as a fully vaccinated traveller 3. Upload proof of vaccination in ArriveCAN 4. Checklist of what you need to have ready at the border 5. Arrival tests - randomized testing and exemptions

Children or dependents

Unvaccinated or not fully vaccinated children under 12 years of age Youth aged 12 to 17 years of age Unvaccinated adult dependents

ArriveCAN: If your submission includes travellers who are not exempt from the requirement to quarantine (e.g., unvaccinated 12 to 17 year olds or unvaccinated dependent adults), you will receive ArriveCAN notifications and will be asked to complete daily reporting for the unvaccinated travellers.

Testing positive or possible exposure within 14 days of your entry to Canada

Monitor for symptoms for at least 14 days after your arrival. If you start having COVID-19 symptoms you must immediately:

- contact the local public health authority and follow their directions, including isolation

- report symptoms to PHAC by calling 1-833-641-0343

You must provide proof of your test results, if asked, to any federal, provincial, territorial or municipal government official or peace officer.

Troubleshooting vaccination issues in ArriveCAN

You didn't see the vaccination questions in ArriveCAN or couldn't upload proof
No receipt from ArriveCAN
Contact ArriveCAN if you receive emails or notifications
Your ArriveCAN receipt doesn't include the letters I or V
