Alexander's on Rowan

To get where almost no one has ever gone before, take wings and fly. Because no land machine will get you and your gear anywhere close to where you're heading. Our remote wilderness location means virtually untouched fish populations and this means exceptional fishing opportunities guests. It's just 25 air miles from Nestor Falls, Ontario to beautiful Alexander's on Rowan lodge where a cozy cabin await you on Rowan Lake. With private cabins, a beautiful log lodge and dining room with plenty of space to relax while in camp, the friendly staff, great home-made meals and sense of fellowship make Alexander's on Rowan Lake experience one of the rare adventures still possible.

All the comforts of home in the Canadian Wilderness Accessible only by float plane.

American Plan packages included:

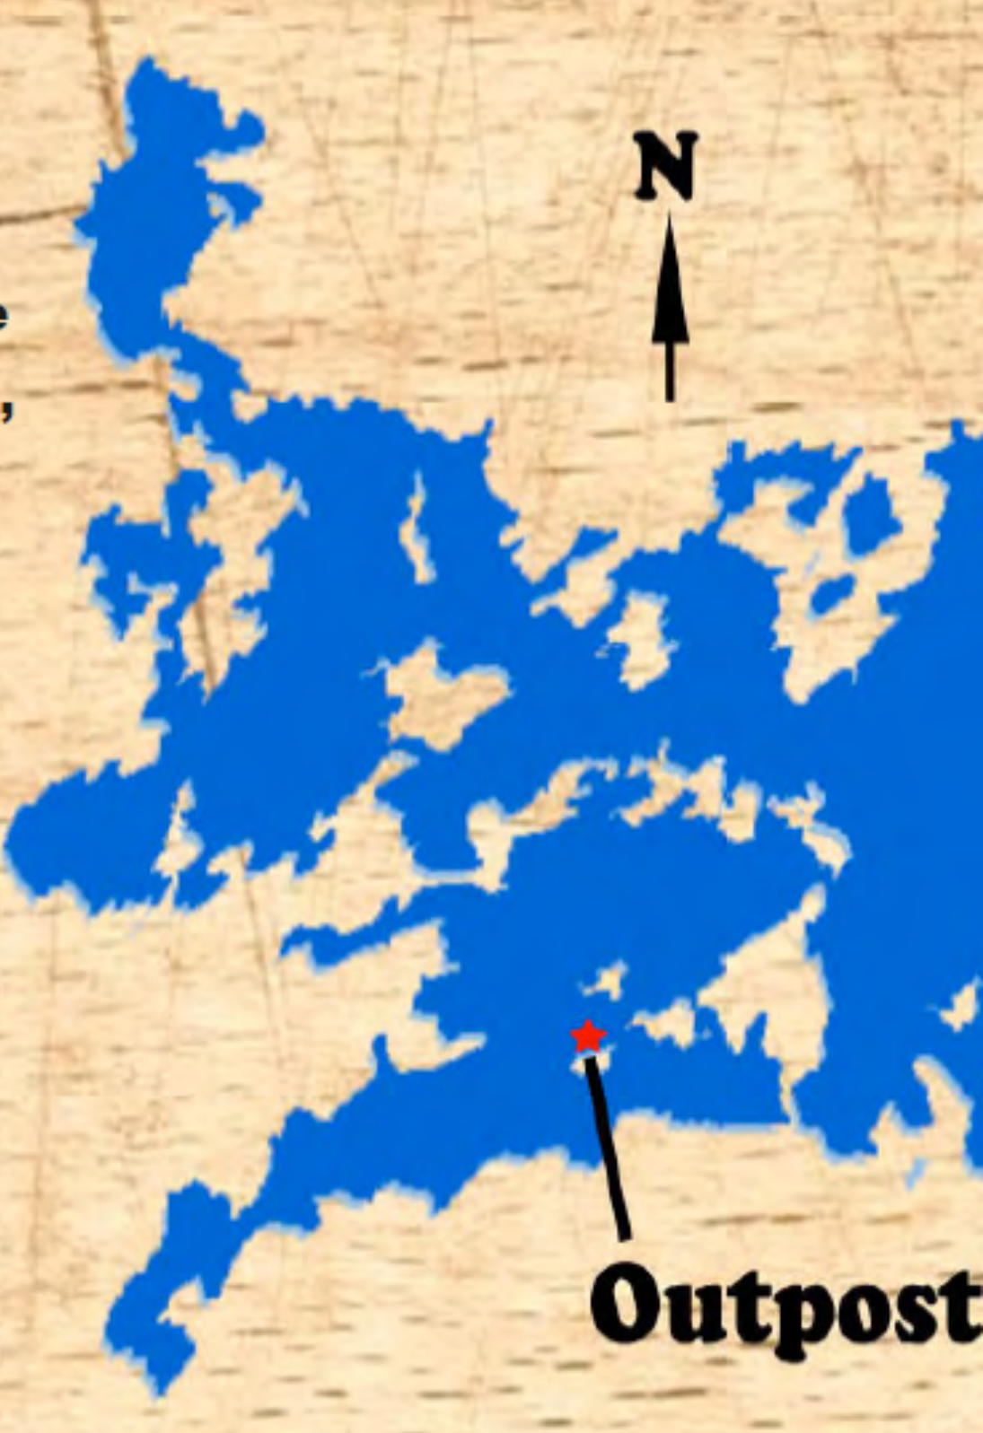
FISHING ON ROWAN LAKE

Anglers come to Rowan lake to pursue its word class Muskie, trophy Lake Trout, abundant Small and Large mouth Bass and always aggressive Northern Pike. For Walleye anglers we have good boats on four portage lakes, which have an abundance of Walleye.

Guide Service

Kris Alexander has been fishing Rowan Lake for many years. With his extensive knowledge of the lake, he has worked himself up to lead guide status. Combined with his knowledge of the lake, open and friendly personality, your guided days on and off the water are sure to be successful, enjoyable and fun!!



Senior Dock Hand

George James has been fishing Rowan lake for many years and has extensive knowledge of the lake and fishing experience in general. George is a retired fishing tackle wholesaler from Eastern Ontario who has fished extensively across the country for 60 years. Willing to show and share his knowledge of the lake, tackle and techniques, your talks with George will be memorable and very productive.
